Invitation to MONDIACULT 2025 - Youth Forum

1 개의 메일

Mondiacult 2025 <mondiacult2025@unesco.org> 2025년 7월 29일 오전 3:24

Dear Sir/Madam,

UNESCO is organizing the World Conference on Cultural Policies and Sustainable Development – MONDIACULT 2025, to be held from 29 September to 1 October 2025 at the Barcelona International Convention Centre (CCIB), in Barcelona, Spain.

MONDIACULT 2025 will provide a timely opportunity to reaffirm our shared commitment to culture and its irreplaceable role in sustainable development, while strengthening intergovernmental dialogue on cultural policies. The Conference will serve as a global platform to promote cultural rights, foster collaboration and solidarity, and advance inclusive, locally grounded development through culture. Through constructive and inclusive dialogue, the Conference will also contribute to reinforcing multilateral cooperation. MONDIACULT 2025 offers a unique opportunity to carry this momentum forward — to translate shared commitments into concrete actions, and to collectively shape the future of cultural policies.
As part of the official programme, a Youth Forum is envisaged to take place in parallel to the ministerial sessions of MONDIACULT 2025. This forum will provide a dedicated space for young people from around the world to engage in dialogues on the six thematic areas: cultural rights, digital technologies and culture, culture and education, economy of culture, culture and climate action, culture, heritage and crisis, and the two focus areas culture and peace and Artificial Intelligence and culture.

In this context, we would like to kindly invite you to consider the possibility of nominating 1 youth representative from your organization to attend MONDIACULT 2025. This participation would significantly contribute to the inclusivity and representativeness of youth at the Conference. The nominated youth representative should be between 18 and 25 years old and possess a strong command of the English language.

If interested, please send an email to mondiacult2025@unesco.org with subject "MONDIACULT 2025 - Youth representative" by August 11, including the following details of the youth representative: full name, nationality, age, organization, contact email address and CV and/or short bio.

We would also like to note that any logistical or financial arrangements related to the participation of the youth representative would need to be covered by your organization / self-funded.

UNESCO will provide further details on the agenda, format, and technical requirements of the Youth Forum in due course, to facilitate your planning and engagement. The concept note, programme outline, and logistical details of the Conference are available on the official UNESCO website: MONDIACULT 2025 (https://www.unesco.org/en/mondiacult/)

Should you require any further information or clarification, please do not hesitate to contact the MONDIACULT 2025 Secretariat at: mondiacult2025@unesco.org.

With kind regards,

MONDIACULT 2025
