In this regard, SC Members agreed that the term of Hon. Dr. Andrey Klimov, Deputy Secretary General of the United Russia Party on International Affairs, as a Vice Chairperson of the ICAPP Standing Committee will be maintained until the 11th General Assembly takes place in Istanbul, the Republic of Turkey.

During the Meeting, Hon. Afif Demirkiran, Deputy Chairman of the Foreign Affairs Department of *AK Parti*, reconfirmed *the AK Parti's* offer to host the 11th GA along with other sideline Meetings, including the next SC Meeting in Istanbul, the Republic of Turkey, in early 2022. In case the 11th GA cannot take place in the first half of 2022 for any reason, the next SC Meeting will be organized separately from the 11th GA in the first half of 2022.

Review of the ICAPP Activities since the 35th SC Meeting in April 2021

2nd Special Video Conference on COVID-19 Pandemic

The Secretariat reported that the 2nd Special Video Conference on COVID-19 Pandemic was held online on 25 May 2021.

The conference was attended by 24 political parties from 19 countries. 5 international organizations also joined the conference, which were Permanent Conference of Political Parties of Latin America and the Caribbean (COPPPAL), World Health Organization (WHO), and World Bank, International Vaccine Institute (IVI), United Nations Economic and Social Commission for Asia and the Pacific (UNESCAP).

The conference was divided into two sessions: the first Session focused on the topic of “Building a More Effective Regional and Global Response to the COVID-19 Pandemic”; the second Session focused on “Achieving an Inclusive Economic Recovery in the Post-COVID-19 Environment.” Each session was attended by experts from international organizations: Dr. Takeshi Kasai, World Health Organization Regional Director for the Western Pacific, provided keynote presentation and facilitated Q&A Session in the first part of the Conference; Dr. Hoon Sahib Soh, Special Representative of the World Bank Group Korea Office, presented and facilitated Q&A session in the latter part of the Conference.

The Statement also endorsed the need to cooperate with international organizations to coordinate emergency response and strengthen capacity of public health systems. ICAPP Work Program for 2021

SC Members agreed to the tentative ICAPP work program for the remainder of 2021, which had been prepared by the Secretariat.

a. *20th Anniversary of the ICAPP*

The commemorative event of the 20th Anniversary of the ICAPP was initially planned to be held with the 11th General Assembly in Istanbul, Turkey, first in October 2020 and then in October 2021. However, as the 11th GA is to be postponed until 2022 due to COVID-19, the Secretariat recommended holding the commemorative event separately in either late October or early November 2021, through a virtual or hybrid format. During the Meeting, Members agreed to celebrate the event separately from the 11th GA, either virtually or through a hybrid form in early November 2021.

b. *Special Workshop on “Climate Change”*

Considering the importance of the issue of climate change, particularly after the publication of the Report of the Intergovernmental Panel on Climate Change (IPCC) on the status of global climate change on 9 August 2021, it would be appropriate and desirable for the ICAPP to take up and express its serious interests in this issue. The Secretariat recommended holding a Special Workshop on “Climate Change” in either November or December 2021.

The ICAPP Work Program for the remainder of 2021 is attached as *Appendix IV*.

Preparations for the 11th GA and Other Sideline Meetings

During the Meeting, Hon. Afif Demirkiran reiterated the party’s offer to host the Meetings in Istanbul, Turkey. Hon. Demirkiran hoped that the 11th GA and the side Meetings would be held physically as soon as possible, perhaps in the early half of 2022.

To briefly review the past development of the 11th GA since the 34th SC Meeting, the *AK Parti* has offered to host the 11th GA in Istanbul, Turkey, along with the 20th Anniversary of the ICAPP, the ICAPP Media Forum, the Trilateral Meeting of the ICAPP-COPPPAL-CAPP, TOPIC Council Meeting, and the SC Meeting. The GA was scheduled to be held in 21-24 October 2021.

In the uncertainty of in-person Meetings under COVID-19, the Secretariat circulated a letter of survey to solicit opinions of the SC Members upon the in-person meeting of the 11th GA and its sideline Meetings. Most of the SC Members expressed that they would find it difficult to send delegations to Istanbul, Turkey this year. Upon this result, Hon. Efkan Ala, Deputy Chairman of *AK Parti* in charge of Foreign Affairs and Member of Parliament, sent a letter to the Secretariat on 19 August 2021 to defer the hosting of the 11th GA and its sideline Meetings to 2022.

The letter from the *AK Parti* dated 19 August 2021 is attached as *Appendix V*.

On 12 July 2021, Hon. Jan Zahradil sent a letter to Hon. Cho Byung-jae to suggest either an online meeting of the 4th AEPF under the persisting pandemic, or a postponement to Spring 2022 with the hope that the situation will be different by then.

Gamage suggested further postponement of the meeting, so to solidify a sense of connection and cooperation among the members of the ICAPP. Hon. Cho informed Hon. On 15 August 2021, Hon. Jan Zahradil wrote to the ICAPP Secretariat and proposed to hold the 4th AEPF meeting in person in Spring 2022. He also mentioned that the mandate of AEPF's Co-Chairs should be extended until the meeting takes place, so as to ensure that the preparations can resume smoothly once the circumstances allow us to do so.

On 28 June 2021, an online preliminary meeting was conducted between the ICAPP Secretariat and the MPP to review the relevant issues of the 6th Meeting of the ICAPP Youth Wing and the 7th Meeting of the ICAPP Women's Wing. Hon. Amarbayasgalan Dashzegve, Secretary General of the Mongolian People's Party, mentioned that although Mongolia has a high rate of vaccination and plans to open its border to host international guests, the spread of the coronavirus and its mutations are extremely worrisome, to which Hon. Cho Byung-jae also agreed. The MPP agreed to further inform the Secretariat of its decision on the time and format of the 6th Meeting of the ICAPP Youth Wing and the 7th Meeting of the ICAPP Women's Wing.

In a subsequent conversation between Hon. Klimov and Hon. Cho Byung-jae, Hon. Klimov reconfirmed that the United Russia Party wishes to hold a Special Conference on Climate in

the Russian Far East, by the end of June 2022. As for venue and timing of hosting the other two conferences, the United Russian Party is open to other SC Members' proposals.

Taveesin's proposal on the ICAPP Business Council, and supported Hon. Mushahid Hussain Sayed's recommendation to have Hon. Taveesin to support the Council's revival.

Hon. Cho Byung-jae added that the Secretariat will revisit the issue and discuss the future plans for the revival of the ICAPP Business Council with SC Members as soon as possible.

For the reference of all the SC Members, the 1st Meeting of the ICAPP-COPPPAL Business Council was launched during the 5th Joint Session between the ICAPP Standing Committee and the COPPPAL Coordinating Body, which took place in Mexico City, Mexico, between 28-29 November 2014. Outreach to More Political Parties

During the Meeting, Hon. Salman Khurshid suggested that ICAPP should reach out to more stakeholders and political parties in Asia who have not yet been included as ICAPP Members. Hon. Proposal to Launch a Campaign on “Vaccines without Borders”

During the Meeting, Hon. Mushahid Hussain Sayed stated that the vaccine distribution should be our priority in fighting against the borderless enemy of COVID-19. In this regard, he proposed to have a campaign led by political parties for “Vaccines without Borders” like “Doctors without Borders.”

On Afghanistan

During the Meeting, some Members raised the need to discuss the situation in Afghanistan to help restore peace and stability in the region and secure people’s safety.

Hon. Andrey Klimov expressed that the ICAPP should hold a meeting to discuss the situation to secure peace and stability in Afghanistan and the surrounding countries. Hon. Klimov proposed to have a conference regarding the issue as soon as possible, perhaps through an online format that we are all familiar with, preferably before the end of 2021.

Hon. Salman Khurshid, Senior Leader of the Indian National Congress Party, and Former Minister for External Affairs of India, also supported the idea to discuss the situation in Afghanistan through whichever form possible. Hon. Theo L. Sambuaga, Vice Chairperson of the Patron Council of *Golkar* Party, Former Minister of Manpower and Former Minister of Housing and Settlement of Indonesia, suggested to make an ICAPP statement regarding the situation in Afghanistan to promote safe and stability in the country.

Cooperation with the United Nations

ICAPP’s Bid for the Observer Status in the UN General Assembly

Hon. Cho Byung-jae, the Secretary General of the ICAPP, briefed and updated the Members on the ICAPP’s efforts to gain observer status in the UN General Assembly as follows:

Since the ICAPP had tried hard in vain to get observer status in the UN General Assembly (UNGA) between 2011 and 2016, the Secretariat has reviewed our strategy on this issue from scratch. It is the Secretariat’s view that we need some more groundworks before we drive our full-fledged efforts in the future.

First, we need to consolidate ICAPP’s identity as a “quasi-intergovernmental” organization. The UNGA adopted a decision in 1994 and a resolution in 1999 which stated that the granting of observer status should be confined to States and “intergovernmental” organizations. Even though the ICAPP is not an intergovernmental organization *per se*, it should be regarded as a quasi-intergovernmental one as its members are ruling or potential ruling parties of sovereign states. We need to develop this logic further and improve our activities in order to strengthen the ICAPP’s *de-facto* intergovernmental nature.

Second, the ICAPP has concluded the “MOU on Cooperation to Support the Activities of the ICAPP” with governments to reinforce the inter-governmental character of the ICAPP. Until 2016, 11 governments have signed the contract (Azerbaijan, Bangladesh, Cambodia, China, Iran, Kazakhstan, Mongolia, Nepal, the Republic of Korea, Sri Lanka, Vietnam). As we believe that these MOUs will augment the ICAPP's “intergovernmental” nature, we strongly recommend the ICAPP members persuade their respective governments to join the MOU.

Third, we know that some non-intergovernmental organizations were granted the observer status even after the adoption of the 1999 UNGA resolution since the UN agreed that cooperation with them would be beneficial to the UN. It means that observer status could be granted to the ICAPP also if the UN finds that the ICAPP activities are supportive enough to achieve the UN’s objectives. In this regard, we need to make more efforts to expand our contacts with the UN through such activities as organizing forums or workshops supporting the UN Agenda 2030 or inviting as many UN representatives as possible at any ICAPP event as we have been doing through the first half of this year.

Fourth, we can plan to submit a draft UNGA resolution for the observer status in 2022 or 2023 considering the COVID-19 situation. By that time, we need to conduct a campaign to have more co-sponsors for the resolution and persuade some states against the ICAPP observer status to accept our logic. The Secretariat is ready to restart our concerted drive together with the SC members as soon as the COVID-19 situation is improved.

During the Meeting, the Members supported ICAPP’s continuous efforts to get an observer status in the UN General Assembly. Hon. Youssef Awad, Coordinator for Asia and Overseas, Free Patriotic Movement Party of Lebanon, supported the “MOU on Cooperation to Support the Activities of the ICAPP” and other efforts of the ICAPP to gain observer status in the UNGA. Hon. Salman Khurshid suggested that the ICAPP should vigorously pursue the observer status in the UNGA. He said that the ICAPP should critically analyze the past cases where organizations were accepted as observers in the UNGA, and draw our own conclusions that would be persuasive in our effort to reach out in the future.
