Dear colleagues!

On May 26-27, 2022, at the initiative of the Russian parliamentary "Eurasian Dialogue" and with the support of the United Russia Party, international conference "Europe-Asia: Dialogue of Civilizations" was held in Perm, near the geographical border of Europe and Asia. More than a hundred people from 20 countries of Europe and Asia took part in the Conference. The conference participants adopted the final document - the Perm Declaration. I have the honor to send it to you on behalf of the organizers.

Sincerely yours,
