Statement of the ICAPP Standing Committee on the Earthquakes in Türkiye and Syria
(9 February 2023)

On behalf of the Standing Committee Members of the International Conference of Asian Political Parties (ICAPP), we extend our deepest sympathy and condolences to the people and the governments of Türkiye and Syria at this moment of tremendous pain caused by the devastating earthquakes and strong aftershocks on 6 February 2023.

We urge all peoples and governments in Asia to step up in solidarity and support the people and governments of Türkiye and Syria in their hour of dire need. In this regard, we fully support the emergency responses launched by international organizations, various governments and civil societies to help the victims with humanitarian aids and rebuild their communities. We, the Standing Committee Members of the ICAPP, also commit ourselves to continue our efforts with all the political parties in the region for timely and adequate assistance through the ICAPP Program for Disasters Assistance (IPDA).
