ICAPP Update (23-38): Draft Concept Paper for the 5th Meeting of the Asia-Europe Political Forum

Dear Distinguished Members of the ICAPP Standing Committee,

The Secretariat wishes to bring your attention to the 5th Asia-Europe Political Forum (AEPF) to be held back-to-back with the 40th ICAPP Standing Council meeting from October 13-16 2023 in Kathmandu, Federal Democratic Republic of Nepal.

Concerning the topics of the 5th meeting of the AEPF, the Secretariat had consulted with the host, Communist Party of Nepal (CPN-UML), and European Conservatives and Reformists Group (ECR), as a result of which we agreed on the following 2 topics:

1. Promoting Sustainable Tourism
2. Financial Stability in the Post-Pandemic Society

In this regard, in consultation with CPN-UML and ECR, the Secretariat has come up with a draft concept paper for the 5th meeting of the AEPF, which is attached to this communication. We would appreciate if you would provide us with your view, if any, on the draft concept paper, by the end of this week.

With warm regards,

Ahn Myung-soo

Secretary-General of the ICAPP
