ICAPP Update (23-65) Reminder of the ICAPP Special Workshop

In continuation of our invitation to the ICAPP Special Workshop to be held in *Jeju* Island, Republic of Korea, during December 8-10, 2023, we'd like to receive the confirmation of the participation by a working-level representative of your party by Tuesday, November 28, 2023.

The ICAPP Secretariat needs to have the complete registration form, profile photo and a passport copy of the participant in order to make necessary arrangements for their stay, including reservations for hotel rooms and their flights between Seoul and *Jeju* Island.

The participants are requested to arrive in Seoul on Thursday, December 7 and depart Seoul on Monday, December 11. The ICAPP Secretariat will provide hotel accommodation for up to four nights, two in Seoul and two in *Jeju* Island.

Due to difficulty in making flight reservations for the group as we approach the end of year, the ICAPP Secretariat would not be able to accept any nomination received after November 29.

With warm regards,

Kwon Hee-seog
Secretary-General
