Dear Sir,

I am pleased to invite you to participate in the UNESCO World Conference on Cultural Policies and Sustainable Development – MONDIACULT 2025, to be held from 29 September to 1 October 2025 at the Barcelona International Convention Centre (CCIB), in Barcelona, Spain.

MONDIACULT 2025 will provide a timely opportunity to reaffirm our shared commitment to culture and its irreplaceable role in sustainable development, while strengthening intergovernmental and multistakeholder dialogue on cultural policies. The Conference will serve as a global platform to promote cultural rights, foster collaboration and solidarity, and advance inclusive, locally grounded development through culture.

Your presence will be key to shaping the outcomes of this major global event, building on MONDIACULT 2022 in Mexico City, where Member States adopted a landmark Ministerial Declaration recognizing culture as a global public good and a fundamental human right, and called for its full integration into future development frameworks.

We would be honoured by your participation and kindly invite you to confirm your attendance by **18 July 2025.**

In your official reply to this invitation, we kindly request that you provide the following information and follow the procedures below:

1. **Send an e-mail to** mondiacult2025@unesco.org providing details of your organization's delegation, including the names, functional titles, and contact information of each participant. Delegations of Intergovernmental Organizations may include up to two (2) representatives.

2. **Complete the online pre-registration for each delegate** via the following platform: pre-registration (https://premondiacult2025.eventszone.net). Organizers will confirm pre-registration and send additional information directly to each delegate.

The concept note, programme outline, and logistical details — including information on registration, visas, travel, and accommodation — are available on the official UNESCO website: MONDIACULT 2025.

As part of the preparatory process for MONDIACULT 2025, UNESCO has also launched a **Digital Library** to showcase innovative policies, research, and practices in the field of culture. Intergovernmental Organizations are invited to contribute relevant publications, reports, or audiovisual content aligned with the MONDIACULT thematic priorities (guidelines in web). Submissions are due by **31 July 2025**. Further details can be found at: Digital Library.

Should you have any questions or require further information, please do not hesitate to contact the UNESCO Secretariat at mondiacult2025@unesco.org.

Yours sincerely,

Ernesto Ottone R.
