Statement on the Recent Military Tension Between Cambodia and Thailand

(July 25, 2025)

We, on behalf of the ICAPP, International Conference of Asian Political Parties, express grave concerns about the increasing military tension along the border between the Kingdom of Cambodia and the Kingdom of Thailand.

We strongly urge the two concerned parties to exercise maximum restraint to avoid further confrontation and destabilizing escalation of tension.

We also call for peaceful dialogue to put an end to a deadly border dispute between the two Southeast Asian neighbors and promote harmony in the region.
