Excellency, dear colleague,

I am pleased to contact you regarding the General Elections that the Republic of the Union of Myanmar is preparing to hold on 28th December 2025.

On that occasion, millions of Myanmar citizens will elect their representatives to the Pyithu Hluttaw (House of Representatives) and the Amyotha Hluttaw (House of Nationalities), which together constitute the Pyidaungsu Hluttaw (Assembly of the Union). Voters will also choose their representatives for the State and Region Hluttaws, including Ethnic Representatives.

The upcoming elections are of considerable importance for the future of the Republic of the Union of Myanmar. In this regard, the Union Election Commission is undertaking a range of ambitious and, in certain respects, unprecedented preparations to ensure the process is conducted in a transparent, credible, and effective manner.

In this context, we would like to extend an invitation for two delegates from your esteemed organization to participate as the international election observers. I would also like to take this opportunity to extend an invitation to all entities responsible for election management, not only within the ASEAN region but also across the BIMSTEC community, to visit Myanmar during the upcoming General Election.

The Union Election Commission (UEC) has organized a five-day program for the international election observers, scheduled from 26th to 30th December 2025. The UEC will kindly provide accommodation, local transportation, and meals for a two-member delegation from your esteemed organization.

It would be an honor to welcome you personally on this occasion, and we kindly invite you to designate another representative from your esteemed institution to join the delegation.
