Excellency,

Bangladesh Election Commission (BEC) takes this opportunity to renew its relations with the International Conference of Asian Political Parties (ICAPP) of the Republic of Korea.

With pleasure, I inform that the Referendum and 13th Parliamentary Election is scheduled on 12th February 2026. Here, I reiterate our commitment to hold the ensuing elections in a free, fair, participatory and transparent way. Accordingly, BEC has invited the foreign election observers and media across the world along with local observers to observe the upcoming Parliamentary Elections and Referendum.

BEC is inviting you as an International Election Observer during the upcoming elections. We believe your participation will be marked as a cornerstone in the democratic transition in Bangladesh.

BEC will be happy to extend local hospitality (accommodation, meals and transportation) for maximum 3 participants from your organization for 5 (Five) nights in Bangladesh from 9th to 14th February 2026. However, the international airfare will have to be borne by the participating organizations/delegates.

I would appreciate your reply along with filled out Information Form by 5th February 2026.

Looking forward to your early response.

Please accept, Excellency, the assurances of my highest considerations.
