Review of the ICAPP Activities since the 36th Meeting of the SC in September 2021

20th Anniversary of the Founding of the ICAPP

The commemoration of the 20th Anniversary of the Founding of the ICAPP was held online on 8 November 2021. The commemoration began with a video presentation that summarized the 20 years of the ICAPP. The event was furnished by congratulatory letters from political leaders at the highest level including heads of states, governments, and speakers of parliaments. The Members of the ICAPP SC sent congratulatory video messages to celebrate the anniversary. Hon. Jose de Venecia Jr., Founder of the ICAPP, Co-Chairperson of the ICAPP Standing Committee, former Speaker of the House of Representatives of Philippines, provided keynote remarks to the participants. Hon. Alejandro Moreno Cárdenas, President of the COPPPAL, and Hon. Jan Zahradil, Co-Chairperson of the ICAPP-AEPF, Vice-Chair of the Committee on International Trade, Member of the European Parliament, and Hon. Cho Byung-jae, Secretary-General of the ICAPP also delivered congratulatory remarks. The commemoration closed with the toast proposed by Hon. All participants proposed the ICAPP to be taken to new heights as a voice that promotes harmony and co-existence of countries, cultures, and civilizations of Asia and beyond.

Special Workshop on Climate Change: The Role of Political Parties in Asia to Achieve Net Zero

The Special Workshop on Climate Change: "The Role of Political Parties in Asia to Achieve Net Zero" (hereinafter referred to as "the Workshop") was held online on 8 December 2021. H.E. Ban Ki-moon, the President of the Assembly and Chair of the Council of the GGGI (Global Green Growth Institute) and 8th Secretary-General of the United Nations, delivered a keynote speech in the Opening Session. The Workshop was divided into two sessions: the first session focused on the topic of "Catalyzing Collaboration between Public and Private Sectors to Reach Net Zero"; the second session focused on "Enhancing Regional and Global Responses of the Political Parties to Reach Net Zero." The participants discussed and called for a global response towards carbon neutrality, which requires international coordination and solidarity where the role of political parties could not be over-emphasized.

The program, list of participants, and statement of the Workshop are attached as ***Appendixes IV-1*** through ***IV-3***.

6th Meeting of the ICAPP Youth Wing and 7th Meeting of the ICAPP Women's Wing (Postponed)

The 6th Meeting of the ICAPP Youth Wing and the 7th Meeting of the ICAPP Women's Wing planned to be held in Ulaanbaatar, Mongolia, hosted by the Mongolian People's Party (MPP) in a hybrid manner between 24-26 March 2021 were postponed to summer in 2023.

The MPP had offered to host the 6th Meeting of the ICAPP Youth Wing and the 7th Meeting of the ICAPP Women's Wing in Ulaanbaatar, Mongolia during the 33rd Meeting of the SC in December 2019. However, the two Meetings were postponed due to the COVID-19 pandemic outbreak. The Secretariat conducted an online preliminary meeting with the MPP on 28 June 2021 to discuss the relevant details of the Meetings. During the 36th Meeting of the SC in September 2021, the MPP reiterated its offer to host the two Meetings in March 2022.

To prepare for the in-person Meetings in Mongolia in March, which would have been the first ICAPP in-person meetings in 2 years if realized, the Secretary-General paid a preparatory visit to the MPP in Ulaanbaatar, Mongolia between 26-28 January 2022. However, due to the aggressive situation of the pandemic across the globe and the limited flight options for international travel, after much consideration of and close consultation between the Secretariat and the MPP, the two Meetings were decided to be held in-person in summer 2023. The MPP sent an official letter to the Secretariat on 9 March 2022 to inform the postponement of the 6th Meeting of the ICAPP Youth Wing and the 7th Meeting of the ICAPP Women's Wing to be held in summer in 2023. The ICAPP deeply appreciates the serious efforts made by the MPP for the two Meetings.

The official letter from the Mongolian People's Party on 9 March 2022 to postpone the 6th Meeting of the Youth Wing and the 7th Meeting of the Women's Wing to 2023 is attached as ***Appendixes V***.

Preparations for the 11th GA and Other Joint Meetings

Plans for the 11th GA, 38th Meeting of the SC, 5th Meeting of the ICAPP Media Forum, 4th Meeting of the Trilateral Meeting among the ICAPP-COPPPAL-CAPP, and 2nd Meeting of the ICAPP Tourism Promotion and Inter-City Cooperation (TOPIC) Council

The *AK Parti* has confirmed to host the 11th GA along with the 38th Meeting of the SC, 5th Meeting of the ICAPP Media Forum, 4th Meeting of the Trilateral Meeting among the ICAPP-*COPPPAL*-CAPP, and 2nd Meeting of the ICAPP Tourism Promotion and Inter-City Cooperation (TOPIC) Council in Istanbul, Turkey through an official letter on 19 August 2021. Although the 11th GA was planned for the early half of 2022, it was postponed due to the persisting pandemic and the spread of the coronavirus variant. Through a separate conversation between the *AK Parti* and the ICAPP Secretary-General, the *AK Parti* suggested that the 11th GA, along with the other joint meetings, be held in the 1st or the 2nd week of November 2022.

Previously in January 2020, the *AK Parti* expressed their willingness to host the 11th GA in conjunction with the SC Meeting, ICAPP Media Forum, and the Trilateral Meeting of the ICAPP-*COPPPAL*-CAPP in Turkey in late 2020. However, the GA was postponed due to the travel restrictions imposed by COVID-19, and was rescheduled to October 2021. In August 2021, the ICAPP Secretariat circulated a letter of survey to solicit SC Members' opinions on the in-person participation of the 11th GA, to which most Members expressed concern about traveling to Istanbul due to the pandemic. Upon this result, Hon. Efkan Ala, Deputy Chairman of *AK Parti* in charge of Foreign Affairs and Member of Parliament, informed the Secretariat that the Party would defer the 11th GA and other joint Meetings to 2022. During the 36th Meeting of the SC, Hon. Afif Demirkıran, Deputy Chairman of the Foreign Affairs Department of *AK Parti,* reiterated the Party's offer to host the Meetings in Istanbul, Turkey in 2022.

The letter from the *AK Parti* dated 19 August 2021 is attached as ***VII***.

Activities of the ICAPP Affiliated Bodies

4th Meeting of the Asia-Europe Political Forum

The 4th Meeting of the Asia-Europe Political Forum (AEPF) is taking place soon after the 37th Meeting of the SC.

At the Meeting, the Members of the SC will elect new Bureau Members of the AEPF, including two Co-Chairpersons and six Vice-Chairpersons proportionately from the ICAPP SC and the four principal groups of the political parties in the European Parliament. Bureau of the AEPF will be elected for the term of two years.

Further, since the Meeting of the AEPF will be held regularly on a rotational basis between Asia and Europe according to the Terms of Reference, the 5th Meeting of the AEPF will be held in Asia. The host, venue, and the schedule of the next Meeting of the AEPF are open to SC Members' discussions and suggestions.

In addition, the ECR Group suggested that the Think Tank Summit, which will be held in addition to the regular sessions of the AEPF on the last day of the Meeting, be a regular session of the AEPF. The purpose of the Summit is to gather experts to discuss policy and governance issues and thus establish networks of think tanks across Asia and Europe.

The current Bureau Members of the Asia-Europe Political Forum are attached as ***Appendix VIII***.

3rd Meeting of the Asian Cultural Council

Previously during the 36th Meeting of the ICAPP SC, Hon. Khuon Sudary, Vice-Chairperson of the ICAPP Standing Committee, Chairperson of the ACC, Member of the Standing Committee of the CPP and Deputy Speaker of the National Assembly of Cambodia, offered on behalf of the Cambodian People's Party to hold the 3rd Meeting of the Asian Cultural Council in Cambodia in the 1st week of December 2022.

During the 36th Meeting of the ICAPP SC, the Secretary-General reminded the SC Members that the Terms of Reference states the Asian Cultural Council to be held with rotation among the Asian Country Members. The 3rd Meeting of the Asian Cultural Council will be confirmed to take place in Cambodia if there are no other suggestions from the SC Members.

5th Meeting of the IPDA Steering Committee

Since the 4th Meeting of the ICAPP Program for Disasters Assistance (IPDA) Steering Committee held in Kuala Lumpur on 2 September 2016, there has not been any update on the next Meeting of the IPDA Steering Committee.

Therefore, any ideas, opinions, or proposals for the 5th Meeting of the IPDA Steering Committee are open for Members' discussion.

ICAPP Special Conferences

Special Conference on "Asia's Political Development through Political Parties" (Seoul, Republic of Korea, September 2022)

Through an email to the ICAPP Secretariat in January 2022, the office of Hon. Cho Jeong-sik, Science, ICT (Information & Communication Technologies) Broadcasting, Communications Committee Member of the National Assembly, the *Minjoo* (Democratic) Party, Republic of Korea, has suggested to hold the Special Conference on "Asia's Political Development through Political Parties" in the 3rd or the 4th week of September.

Previously during the 36th Meeting of the SC, the Special Conference was proposed to be co-hosted by the People Power Party and the *Minjoo* (Democratic) Party of the Republic of Korea, but postponed due to the aggravating situation of the COVID-19 pandemic.

Special Conference on "Security and Cooperation: Role of Political Parties"

Through a letter dated 21 February 2022, the New Azerbaijan Party reiterated its offer to host the Special Conference on "Security and Cooperation: Role of Political Parties" in Baku, Azerbaijan in the 4th week of November 2022.

During the 34th Meeting of the SC, the New Azerbaijan Party had offered to host a Special Conference on Peace and Cooperation, which was later scheduled to be held between 3-5 December 2021. On 31 August 2021, the Party suggested to postpone the conference to 2022 due to the worsening situation of the pandemic.

The letter from the New Azerbaijan Party dated 21 February 2022 is attached as ***Appendix IX***.

Other Issues

Hon. Cho Byung-jae
Secretary General,
International Conference of Asian Political Parties (ICAPP)
Seoul, Republic of Korea

His Excellency,

I hope you and your family are well and prospering during the time of Covid-19.

As per your conversation Mr. Demirkıran and result of the letter of survey that has been sent to ICAPP members, we also agreed upon postponing the 11th General Assembly of The International Conference of Asian Political Parties (ICAPP) along with the 36th Meeting of the ICAPP Standing Committee, the 5th Meeting of the ICAPP Media Forum, the 2nd Meeting of the ICAPP Tourism Promotion and Inter-City Cooperation (TOPIC) Council and the 4th Trilateral Meeting of the ICAPP-COPPPAL-CAPP, which were planned to be held between 21-24 October 2021 in Istanbul due to the increased number of delta variant COVID-19 cases in Turkey just like in the world.

I believe that holding the meetings in person rather than virtually will be more effective and therefore, as AK Party we are most welcome to host the 11th General Assembly along with above mentioned side events in Turkey next year whenever the risk of pandemic reduces.

Best Regards,

Efkan Ala
Deputy Chairman of AK Party in charge of

The 4th Meeting of the Asia-Europe Political Forum
(Prague, Czech Republic, 10-12 June 2022)

ICAPP/4AEPF/003

Prague Statement

We, the leaders and representatives of political parties of Asia and Europe, gathered in Prague, Czech Republic for the 4th Meeting of the Asia-Europe Political Forum (AEPF) between 10-12 June 2022. At the Meeting, we focused on the following three topics: "Coronavirus – Lessons Learned in Europe and Asia," "Asian and European Perspectives on Globalization," and "future EU-Asia Relationship."

The Meeting of the AEPF provides its Members with opportunities to discuss matters of mutual interest and concern, reaffirm shared objectives, and to promote further collaboration. The geopolitical reality of multipolar world makes further engagement of partnership between Europe and Asia even more important and urgent in order to diversify trade relations, to deepen our cooperation on critical and emerging technologies, digital issues, and raw materials, to strengthen supply chains resilience and help tackle global challenges.

(1st Panel: Coronavirus – Lessons Learned in Europe and Asia)

1. We recognized that the pandemic has exposed and widened the existing gap between the developed and developing world in their capabilities to address natural and human disasters. Although the pandemic created setbacks in progress made by the international society, we affirmed our determination to continue our track to achieve the UN Sustainable Development Goals by designing and implementing recovery strategies to help reduce the risks and build resilience to future crisis.

2. We recognized that COVID-19 has demonstrated the urgency of global cooperation in the health sector, especially on the access to vaccines and medical supplies. As the pandemic has exposed that states are only as safe as the weakest link in the network, Asia and Europe should construct an effective network to ensure equitable distribution of vaccines and medical equipment to be more resistant to the future global health crisis. In this vein, we affirmed that in addition to the responses specific to national contexts, Europe and Asia should implement strategies based on solidarity and partnership.

3. In devising multilateral cooperation in response to COVID-19 and other pandemics, we emphasized that there should not be any space for discrimination in accordance with race, nationality, or gender. In this regard, we reaffirmed the critical role of the UN in coordinating the global response for a sustainable and inclusive recovery.

(2nd Panel: Asia and Europe's Perspective on Globalization)

4. We recognized that the pandemic has caused disruptions in global supply chains, capital outflows, and recession in tourism sectors, exposing vulnerabilities of globalization and weaknesses of socioeconomic structures in many countries.

5. We noted that many governments retreated from globalization, populist and nationalist policies erected barriers against free trade, investment, and immigration. We noted with concern that such fragmented structures could damage the multilateral economic frameworks, negatively affecting the developing countries' access to the global markets.

6. We endorsed the guideline laid by the World Trade Organization (WTO) to prevent unfair trade practices by following its principles of trading without discrimination one country against another, reducing trade barriers through negotiation, increasing predictability in trading, promoting fair competition, and giving more benefits for less developed countries. In line of the UN, we supported an inclusive multilateral trading system which benefits all countries at different stages of development.

7. We recognized that the impact of COVID-19 on the global labor market has increased workers' economic precariousness. Therefore, we agreed that Asia and Europe's efforts regarding globalization should enhance economic security to ensure people's wellbeing and their ability to weather unpredictable crisis by increasing employment and strengthening social protection such as health care and unemployment insurance.

(3rd Panel: Future Asia-Europe Relationship)

8. We agreed to take the lessons from the COVID-19 pandemic, geopolitical and geoeconomic shift, global security challenges to turn them into opportunities to build more inclusive and sustainable cooperation between Asia and Europe in the fields of health, security, green transition, transportation, and human network. We agreed that the cooperation between Asia and Europe would be a necessary foundation for encouraging cooperation, contributing significantly to shaping major trends, ensuring a peaceful and stable international environment, and pioneering the promotion of sustainable, inclusive development and prosperity.

9. As trading partners, the Asian countries to EU Member states account for 36% of EU annual international trade in goods, which highlights the mutual strategic importance to each other. We reflected on possible ways of modernizing and upgrading existing trade and investment agreements between Europe and Asia, we called for substantive progress on trade negotiations in progress and reiterated importance of enhanced and multifaceted cooperation between EU-ASEAN and its MS, new EU-CPTTP strategic approach and evaluated economic and geopolitical implications of RCEP. We stressed the role of political parties in such efforts to realize the economic potential and to ensure better market access on both continents. We need to further deepen inter-regional economic integration while promoting inter-regional supply chain resilience. Greater economic interdependence leads to a more stable and peaceful world. In this connection, we would suggest that ASEAN and the EU resume FTA negotiation.

10. We need to further enhance cultural cooperation and people-to-people exchange between the two regions. Cultural diplomacy can be a solution to international conflicts and tensions. Culture is a source of mutual understanding and respect, and trust building. Culture provides significant entry point for dialogue and trust building between conflicting parties.

11. We affirmed that the safety, security, and environmental sustainability of EU-Asia transport networks should be guaranteed, since it is essential to the supply chain for goods between Asia and Europe. We welcomed the cooperation between the EU and Asia to work closely with each other to encourage and improve their connectivity.

(Ukrainian Crisis)

12. We expressed grave concern at the military conflict in Ukraine caused by Russia. We urged for early resolution of the situation through diplomatic dialogue to prevent further humanitarian catastrophe, including innocent victims caused by the war. We affirmed the commitment to abiding by the Charter of the United Nations and the rules-based international order, which are the main foundations for world peace and security.

We expressed our deep appreciation to the ECR Group for their warm hospitality and their excellent arrangement for the resounding success of the 4th Meeting of the AEPF. We also expressed appreciation for the ICAPP Secretariat's role in the preparation and organization of the Meeting.

We appreciated Hon. Jan Zahradil and Hon. Daya Gamage for their invaluable contribution as the AEPF Co-Chairpersons. Hon. Dr. Rajan Bhattarai was elected as the new Co-Chairperson of the AEPF on the Asian side, while the term for Hon. Jan Zahradil as the Co-Chairperson was extended from the European side. The 5th Meeting of the AEPF will be held in Kathmandu, Nepal in October 2023. We reiterated the importance of continued cooperation and shared our excitement for the next Meeting of the AEPF.
